Gönülden gönüle sesler

Gönülden gönüle sesler  
Bir sir olur aşkı besler  
Birleşir sanki nefesle  
Bir tek kalpde bir ahenkde  
Gönülden gönüle akar  
Akdıkca her kalbi yakar

Hatır yapan hatır yıkan  
Gönülden gönüle sesler  
Ne olur her yandan geçin  
Kârımdunerdey se seçin  
Aşk ı yudum yudum için  
Gönülden gönüle sesler...
