Kordon boyunun çapkın güzeli Yemyeşil yamaçlar seni kucaklar  
Mahtâbı bile edersin deli Her avuç toprağın tarihi saklar  
Mehtemin ruhlarına huzur veriyor Başrımın uzağın süğün denizde  
İnan İzmir gönlüm sende arıyor Bir çift mâvi gözün akisleri var

Kahraman efeler yatağsın sen  
Güzeller dilberler otağsın sen  
Ben gibi âşaklar uğrağsın sen  
İnan İzmir gönlüm sende arıyor
