Ya İlahî âlîânın hasteye dârü'ş-şifâ

Şerbet-i vaslın içenler buldular derde devâ

Bahr-i rahmet katresi yanında cümle yoğ olur

Her ne denkü çoğ olursa bizde cürm ile hatâ

Mahz-ı fazlından İlahî vâkıf et esrârına

Edelim her hâl ile İsrâj Resûl'e iktidâ

Ger ziyâ-yi şems-i zâtin ermez ise sâlike

Nice kat' eder menâzil kande erişir atâ

Zerre görünmez FENÂYI içbu âlem ârife

Bir dâmine vuslatın iki cihân olmaz bahâ (1)
