Bahçemde gül solmadan gel
Baharım kış olmadan gel
Su ağaran saçlarımı
Felek tel tel yolmadan gel

Bir çiçeksin dalda deste
Dillerdesin beste beste
Ecel beni son nefeste
Arayıp da bulmadan gel

Sevgiyi ben sende buldum
Aşkı içtim yudum yudum
Sensin benim tek umudum
Umutlarım solmadan gel

Turan Kekevi
