« Nür yüzünle Aydınlanır »

Nür yüzünle aydınlanır, Şu karanlık geceler...  
İnan Senle gözülür, Şu en zor bilmeceler  
Huzur verir insana, o şefkətli bakışın  
Elemelerin üstüne, Bir su gibi akışın...  
Gülfuna erenlerin, Güzel olur hep bahtın  
Emin ol Senin için, Herkesi fâri tahtın  
İnan Senle gözülür, Şu en zor bilmeceler...
