HAYAL KADIN

Çık artık hayalimden, çık da gel güzel kadın, Gözlerin kahverengi.. saçların uzun muydu?
Yapraklar sararmadan, mevsimler solmadan gel!.. Mehtapta suya uuran o güzel yüzün müydü?
Ekmeğim aşım gibi, istersen hışım gibi, Bakışında parlayan neşe mi, hüznün müydü?
Zaman henüz dolmadan, vakti gel olmadan gel...
