Yağurlu bir gündü emutulmas e zusan
 Kapanmalar kalbini içinden çışlak çışlak
 Sof kelen avuylara doldu bir aFRİT kışın
 Eitilip bir geseyi fimalında ayralık

Yağur deşildi yağın bir kieren teçesiydi .
 Kataralar, sevgiler döküldü kırı kırı
 İstisalar eilirdi bir veda hıçsırdı
 Ötüşünde yarı oldu, içiride içiride
