-1-

Pembe beyaz çiçekler açar, sen gelince hana  
Nerdesin acep bilmem gönül seni arıyor  
Uzamasın ayrılık yaklaş hasretim sanı  
Gözlerim daim seni bak her yerde arıyor

-2-

Uzak durma ne olur elini uzat bana  
Yaz kış bahar deme sen ömrümüz bitmeden gel  
Birleşsin gündüz gece kimse olmasın engel
