"Bir ilik sonbahar sabahı erkau"

Söz ve Müzik:  
Orhan Kızılsavaş

Usûlü: Semâi

Bir ılık sonbahar sabahı erken  
Bahçede utangaç goncayı gördüm  
Sarı yaprakları tavâf ederken  
İçimde bir hazin sülküne erdim

Umutmuş yeşili hazan dalları  
Morodo baharın moru, alları  
Bülbül dinletiyor aşk masalları  
O seste melâl var ki büyür derdim
