

# NİHAVEND-İ KEBİR AĞIR SEMÂİ

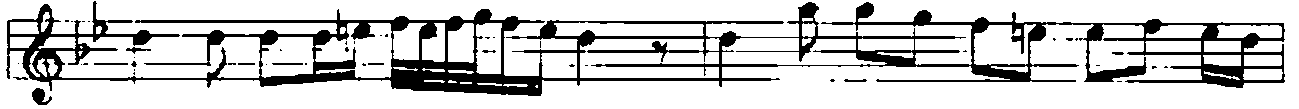

*Dil-i âşûstemiz şimdi yine bir nevcivan ister*

USÛL: AKSAK SEMÂİ

BESTE: ABDÛRRAHİM DEDE  
EFENDİ (Hafız Şeyda)

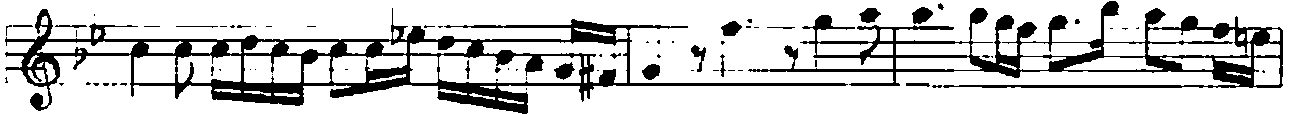

Ah Di li                      â                      şûf te miz                      şim  
Ah Rû hi                      qûl                      zûl fû sün                      bûl  
Ah O şû                      hi                      dil ke şî                      say

di yi ne                      bir                      nev ci van                      is  
ser vû kad                      din                      ce di han                      is  
det me ye                      am                      ma ze mar                      is

ter                      a                      man                      ye lel                      li yel  
ter  
ter

li ye lel                      le li vay                      hey hey yar                      ganzemey

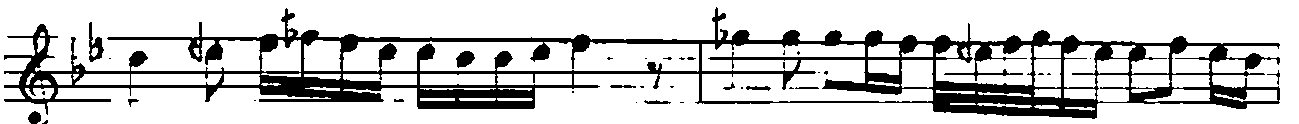

ci van                      is                      ter  
di han                      is                      ter  
ze man                      is                      ter

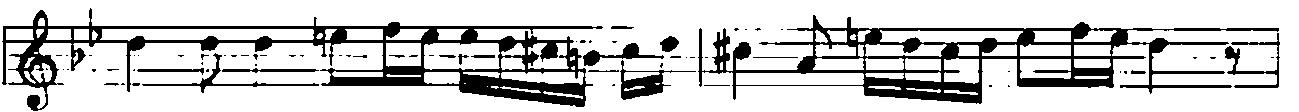

*Meyan*

Ah Ha ris                      ol                      ma de ra                      guş

me yâ                      ne                      sen de ey                      câ

nâ                      a                      man                      ye lel                      li yel

li ye lel le li vay hey hey yar gam zem ey

sen de ey câ nâ

Dil-i âşûfemiz şimdi yine bir nevcivan ister  
Rûh-i gül zûlf-ü sünbül serv ü kaddince dihan ister  
Haris olma derâgûş miyâne sen de cânâ  
O şöh-i dilkeşi sayd etmeğe amma zaman ister

Terennüm. Aman ye lel li yel li ye lel le li vay  
hey hey yâr ömrüm ey civan ister
