Sözlerinde bir an "gelme, desemde  
Bakarım gözlerin "gel" diyor bana  
Bazen küskün gibi dursan aldatmam  
Bilirim yüreğin "sev" diyor bana

Kalbinde çokmuyum diye düşünsem  
Sanki bir tatlı ses "kal" diyor bana  
"Sen benimdin hani, neredesin" desem  
Bir hüzün yakarış "gel" diyor bana
