SON SARI YAPRAK

İlâzan mevsiminde

kuru bir dal gibiyim,
son sarı yapraksın.

İlk rüzgarda

beni sen de terkedecek,
yapayalnız bırakacaksın.

Koptuğın yer yıldızların gözyaşıyla ıslanacak.

Düştüğün yerde bir gül olup
yeniden açacaksın.

Bekle sevdiğim!

bahar gelmeden
sana tekrar kavuşacağım.

Açtığın gül dalı yine ben olacağım.
