KUŞIDIL FAQUİNİN DEVAMI

(BİR YAZ AKŞAMI)

Mehtaplı tertemiz bir yaz akşamı
İkimde ilk aşk cicek sen oldun
Telleri pas tutmuş dertli saaimi
Del gibi sağılatan nâime sen oldun

Güzelim yıllarım bosa geçerken
Toz pembe gençliğim elden giderken
Yüreğim sevgiden ümit keserken
Baharın yüksele güneş sen oldun
