Yalnızım diye üzülürken ben bu yerde  
İllik bir sevgi doğmak üzere şu kalbe  
Lâle kadar kızıl papatya kadar temiz  
Muamması çözümez o güzel kalbiniz

Avladın beni bir kuş gibi Ah ansızın  
Arıktık düştüm kucığına dinmiyor sızın  
Kaybetmek üzereyim doğan güneşimi  
Ulu Tanrı koru benim güzel eşimi.
