"Süznü S-z-ki" nin cevâmi

Rahumda kararlık bir akşam olur
Bu derdi içimden nasil bıraksam
Kırılır ümîdim neş'em gam olur
Deni görmek için nereye baksam

Akur gözyaşlarım dert dinmez olur
Görüt ağrılarım bitmez olur
Kararır her taraf görünmez olur
Kalbinin rengiyle bir ışık yaksam
