Benim seyhim seni Hakk'a yetirir  
Nice müşkülleri anda bitirir  
Muhammed'in sancığına götürür  
Abdülkâdir Sultan derler seyhime

Giderler garâyâ çalarlar satır  
Dâima yaparlar hoş gönül hatır  
Bağdad'da türbesi nûr olmuş yatur  
Abdülkâdir Sultan derler seyhime

Aşkın yûreği yanar tutuşur  
Cig'lerin var ise var anda pisir  
Her kande çağır-san gelip yetirir  
Abdülkâdir Sultan derler seyhime

Dâim Allah ile seyhimin isi  
Dost deyince akar gözünün yası  
Eşrefoğlu Rûmi anın dervişi  
Abdülkâdir Sultan derler seyhime
