Hangi dağda bulsam ben o merâli
Hangi yerde görsem çesm-i gazeli
Avcılardan kaçmış ceylâr misâli
Geçmiş dağdan dağâ yoktur durağı

Lâleyi, sünbülü, gülü hâr almış
Zevku safa ehlini âh ü zâr almış
Süleyman tahtını sanki mâr almış
Gama tebdil olmuş ilpetin çağı

Zihni derd elinden her zâman ağlar,
Vardımki bağ ağlar, bağ ben ağlar,
Sünbüller perişan, güller kon ağlar
Seydâ bülbül terkedeli bu bağı
